On the reverse side of this tin you will find the "Patented July 30th, 1907" which has made three men smoke pipes where one smoked before!

PRINCE ALBERT

the national joy smoke

has a flavor as different as it is delightful. You never tasted the like of it! And that isn't strange, either.

Buy Prince Albert everywhere tobacco is sold in tippy red bags, 5c; tidy red tins, 10c; handsome pound and half-pound tin tins, 10c; and that corking fine pound crystal-glass humidor with sponge-moistener top that keeps the tobacco in such clever trim—always!

Men who think they can't smoke a pipe or roll a cigarette can smoke and will smoke if they use Prince Albert. And smokers who have not yet given P. A. a try-out certainly have a big surprise and a lot of enjoyment coming their way as soon as they invest in a supply. Prince Albert tobacco will tell its own story!

CITY COUNCIL GRANTS FRANCHISE

Bryan Telephone Company Is Granted Franchise to Do Business for the Next Twenty Years.

At a meeting of the City Council of the City of Bryan yesterday afternoon a new franchise was granted the Bryan Telephone Company, its successors and assigns, which gives them the right to construct, reconstruct, extend, maintain and operate a tele-

phone exchange in the City of Bryan for the next twenty years.

The new franchise is similar in many ways to the old one. However, some new features are brought out in the new one. The change of most importance was the telephone company furnishing ten telephones to the city free of charge for the first ten years of the grant and fifteen telephones free of charge after the first ten years of the grant, the telephone company agreeing to place and maintain these phones at such places as designated by the Council. The rates to be charged in the new grant are the same as in the old. Business phones \$3.00 per month and residence

phones \$2.00 per month.

At the meeting of the Council Monday night the matter of the transfer track of the L. & G. N. and H. & T. C. was finally disposed of by a resolution being drafted giving the road a deed to their freight depot property and establishing lines for the new tracks to be laid and designating the width of streets to be allowed them for tracks and other matters that have been in controversy with the H. & T. C. officials.

DECHERD ANSWERED.

Mexia, Texas, June 17, 1916.
Hon. E. A. Decherd, Jr.,
Franklin, Texas.

Dear Sir:
On my return a few days ago from a ten days' absence from the district, I found that you had addressed another open letter to me on the subject of joint discussion of the issues in the senatorial race, and you insist that your platform is very different from mine, but you do not point out the material difference. Or any difference, in fact.

But, even if there are differences between us, that does not mean that the people are going to quit their work in the fields and come out to public speaking, and to ask them to do so would be to get the horse laugh.

I insist that there is nothing to be gained by joint discussion. If you wish to take the stump it is your privilege to do so. As for attending picnics, I already have some such gatherings in view that I expect to attend, and will attend others during the remaining few weeks of the campaign as I might find convenient to do so. Your proposition to go around with the candidates as they make their rounds is absurd, for they are not going around in droves in this end of the district, at least.

Again, I must decline to change my campaign to suit your wishes, and will continue as I started out to do, that is attend to my own campaign, and you are at liberty to do as you wish.

Respectfully,
N. P. HOUX.

PROPERTY CHANGES OWNERSHIP

The J. M. Hanna & Son property on Ursuline Avenue has been sold to C. S. Beckwith, who will take possession of same on the first of the coming month. The property consists of a storehouse with a stock of groceries and school supplies, a nice residence and two vacant lots. The entire lot of property was transferred in the deal. Mr. Beckwith announced this morning that it was his intention to replenish the stock and at all times carry a complete and full line. We bespeak for the new owner much success, as he is a good hustler and a man who does business in an upright way.

PYTHIAN SISTERS MEET WITH KNIGHTS

Joint Entertainment Was Held Last Night With Chicken Supper, and Impromptu Program Given.

About 75 Pythian Sisters, Knights of Pythias and their friends assembled at the K. of P. Hall last night at 8:30 o'clock and started a program with a big chicken supper which later proved to be one of the most enjoyable affairs that has been had in Bryan for a long time. There was plenty of chicken for every one as well as other edibles that go with this delicious dish to make a real dinner.

Mr. W. S. Wilson, Jr., acted as toastmaster and as no program had been arranged he was the program committee by himself and from reports today his selections were of the very best. Vocal solos, which were rendered in a most creditable way, were offered by Misses Aliene Rohde and Louise Caldwell. Instrumental music was rendered in a most pleasing manner by Miss Williams and others. After the musical part of the program the speech-making began. Several distinguished Knights were called upon for short talks and every one was fine. Matters pertaining to the good of the order were discussed, the social side of the lodge was talked of and things for the betterment of the Knights of Pythias lodge and its branches and for the City of Bryan were expounded in flowery language and with oratory equal to that of Plato or Aristotle.

Just before the close of the entertainment Mr. R. E. Robb of Houston, representing the Southwestern Paper Company, was introduced and rendered a few very enjoyable selections on his violin. At a late hour the party disbanded and will look forward with much anticipation for another opportunity to enjoy a similar entertainment to that of last night.
